

S-Line Pin Anchor

Track 3117-AL

The Pin Anchor Track **142138636** made of anodized aluminium with rubber coating alleviates the use of wider straps. The track is mounted horizontally on the wall.

Now new for use with

50 mm wide straps!

The track is compatible with our combination pin \varnothing 19/24 mm/slot 9 mm, all common strap types, ropes and lashing end pieces for pin anchor tracks.

Dimensions

Length:	6000 mm
Height:	32,8 mm
Width:	95,6 mm
Pin diameter:	8 mm
